*** Packing & Palletisation information:**

1. For products supplied in paper bags (25/20kg)- we use industrial 1000x1200 mm pallets. We load on 1 pallet 1 ton of the product (40-50 bags)
2. For other products supplied in buckets (powder) and canisters (liquid) we use euro pallets 800x1200 mm. We put 500 kg of the product on 1 pallet.
3. If we speak about 20` container then we can fill it with 11 euro pallets or 10 industrial pallets. If order is mixed then (depending on amount of each product) we can fill it with 10-11 pallets (most probably 10).

*** Minimum order quantity:**

Is 1 pallet/each product with a min. total order value of 7500 EUR.

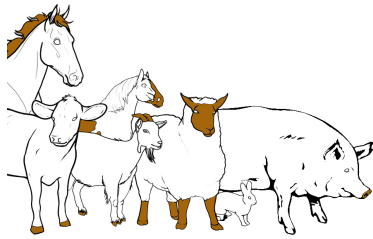

*** Transport & shipping:**

With fcl order we can supply FOB Gdynia and can ship ex Poland to destinations worldwide.

If we speak about lcl we have 2 options:

1. We can send the products to our warehouse in Antwerp, where we can load with other products (eg. from our SICO-HERBCARE range, SICO PRIME Series, SICO Animal Nutrition products in 20ft or 40ft mixed containers).
2. We can ship in lcl (= groupage container) ex Gdynia.

We repeat: regarding our activities in animal nutrition and health, we, SICO, sell only products classified as feed supplements/additives or care products. We do not sell any veterinary pharmaceutical products, for which we have no license.
