& DATASHEET

SICO-FARMCARE RUMEN

Appetite stimulant and digestive tonic for cattle & ruminants.

01/2021

1. INTRODUCTION

*** Composition**

- **Herbal blend:** Zingiber officinale, Allium sativum, Andrographis paniculate, Azadirachta indica, Balanites roxburghii, Centratherum anthelmenticum, Eclipta alba, Phyllanthus emblica, Terminalia chebula, Trigonella foenum graecum, Trachyspermum ammi
- **Sodium propionate**
- **Saccaromyces cerevisiae** CBS 493.94

*** Categories**

- ruminants
- cattle

Tags : Acidosis and ketosis, starting calves

Product ID : 5821

2. DESCRIPTION

Stops ketosis, acidosis and stimulates the rumen motility.

Metabolic diseases such as ketosis result from digestive disorders in cows. SICO-FARMCARE RUMEN contains a herbal mixture (improving appetite and digestive processes), live yeast cultures and sodium propionate (influencing rumen buffering and stabilization).

3. ADDITIONAL INFORMATION

*** Benefits**

- Stabilizes and optimizes pH
- Increases appetite
- Stimulates the rumen
- Fast buffering action

*** Administration**

Cows: 100 g per head per day for 3-5 days
