SICO Protein concentrates are a high quality mix of marine & vegetable protein sources and contain all the essential vitamin, mineral, trace elements, amino-acids, protein, energy and fibre requirements of the animals.

These concentrates DONOT contain animal proteins and are produced as per latest E.C. regulations. Any antibiotic or growth promotor and/or coccidiostat and/or flavour and/or egg yolk pigmenters, etc. can be added on client's specific request.

Our protein concentrates are available in different inclusion rates : 2.5% and 5% and 7.5% and 10% and 20 - 30%. Moreover for every animal we offer a choice of different standard concentrates to match local conditions (budget price, locally available raw materials, etc).

TRULY EVERY TIME THE RIGHT SOLUTION !
