1/ INTRODUCTION & PRODUCT DESCRIPTION

SICO IRISH “SUPERIOR 20 GOLD” CONCENTRATE enjoys all the benefits of *Ascophyllum nodosum* seaweed extract, plus added NPK 10.2.5 and micronutrients. It is a specifically designed formulation of nitrogen, phosphorus and potassium with added trace elements. This is formulated as a complete solution to respond to plants’ needs. This product is specifically designed for Golf courses, Pitches, and amenities etc.

SICO IRISH “SUPERIOR 20 GOLD” CONCENTRATE is a liquid seaweed that consists of 20% pure seaweed (*Ascophyllum nodosum*). This makes it a unique product as it contains 60 trace mineral elements.

This liquid seaweed is a real natural biological fertiliser with no artificial additives or harmful products. Liquid seaweed helps to promote and stimulate the microorganism within the soil thus promoting good root structure.
