#### **2. Description:**

Yeast extract improves the quality of the digestive tract.

Vitamins and minerals are essential for the proper operation of several physiological functions.

#### **3. Indications:**

SICO GROWSTIM Oral is a combination of yeast extract with B vitamins, (organic) acids and minerals and is used as a growth promoter. The following mechanisms take place:

- Antibacterial activity (acids).
- Competition with undesirable organisms for space and/or nutrients in the digestive tract.
- Production of nutrients (vitamins) or other growth factors which stimulate growth and reproduction of other micro organisms in the digestive tract.
- Production and/or stimulation of enzymes.
- Breakdown and/or detoxification of undesirable compounds.
- Stimulation of the immune system in the host animal.

#### **4. Side effects:**

No undesirable effects are to be expected when the prescribed dosage regimen is followed.

#### **5. Dosage:**

For oral administration:

General: 1 litre per 2000 - 4000 litre drinking water for 3 – 5 days.

Shake well before use.

Suitable for cattle (cows), goats, sheep, pigs, calves

#### **6. Withdrawal times:**

None.

#### **7. Warning:**

Keep out of reach of children. .

#### **8. Packing:**

Bottle of 100, 500 and 1000 ml.
